

建構家庭參與式之兒少保護專業服務模式

兒福聯盟執行長白麗芳

Why?

Taken from: Marek Holguin, L & Wilms, L (2005). Analyzing family involvement approaches. In J. Pennell & G. Anderson (Eds.), Working the circle: The practice and evolution of family group conferencing with children, young people, and their families. Washington, DC: NASW Press.

思考點

- 事前準備最關鍵
- 誰是facilitator? 角色功能?
- 誰能參與? 如何參與?
- 個案保密VS資訊公開
- 決策壓力VS面對案家陳述說明的壓力
- Natural and professional networks

It takes a village to raise a child.
